creating a better place

The Company Director and/or Secretary Wilton Waste Treatment Plant Boundary Road West Wilton International Middlesbrough Cleveland TS6 8JH Our ref: EPR/MP3136HW/V002

Date: 3rd December 2013

To The Company Director and/or Secretary,

Issue of Environment Agency initiated variation of your permit.

Permit reference: EPR/MP3136HW/V002 Applicant: Cleansing Service Group Ltd

Facility: Wilton Waste Treatment Plant, Boundary Road West, Wilton International,

Middlesborough, Cleveland, TS6 8JH

We've decided to vary your permit as discussed with you. We're satisfied that operations can continue in accordance with the variation without harm to the environment or human health. The variation takes effect from . I enclose a notice showing the changes we've made. Please keep this in a safe place with your other permit records.

This letter contains web links to other documents. If you aren't able to access these phone our Customer Contact Centre for help.

If you're not already familiar with our document 'How to comply with your environmental permit' please look at it, as this will help you understand how to meet the conditions of the permit. You can find this on our guidance web page: http://www.environment-agency.gov.uk/business/topics/permitting/32320.aspx

Please look at the table below and note any of the information or actions that apply to your permit.

lf	then	
the variation means you are now carrying out a waste operation or activity and need to submit quarterly waste returns on waste movements Note This does not apply to permits that only have stand alone water discharge or groundwater activities.	you can get the forms you need from our website http://www.environment-agency.gov.uk/business/topics/waste/32176.aspx If you do not have web access phone our Customer Contact Centre	
you need to submit other returns	send these to your area office. Speak to your area officer to check local arrangements.	
your variation has added an installation to your permit for the first time	we've enclosed the pollution inventory letter, notice and fact sheet
